sights

If you have the opportunity to explore our region, we have many sights around our area. Besides Zürich, which is a really pretty city with lots of interesting sights, there is an old historical small village on the top of a mountain called “Regensberg”, which is only 10minutes drive from our site.

Bülach’s old town is very pretty as well. There you will find nice shops and good restaurants. The hotel “Zum Goldenen Kopf” has been part of the old town wall.

We also recommend a trip to the “Rheinfall” -the most impressive waterfall in Switzerland. It is only a 45 minutes drive from our company and an awesome place to visit. (www.rheinfall.ch)

If you are rather interested in the mountains you should take a time to gaze at the “Pilatus”, the “top of Luzern”. To enjoy this sight you will need a day - but it is worth it! (www.pilatus.ch)

The “Neeracher-Ried” is a nature conservation centre which is also interesting and worth visiting and only 5 minutes drive from our company.
